

# PRODUCTO PLANO

## PALANQUILLA:

material colado en acería para fabricación de productos largos.

## FLAT PRODUCT

### BILLET:

product from melting shop for manufacturing.

### TIPOS DE ACERO INOXIDABLE - EQUIVALENCIAS INTERNACIONALES / Stainless Steel Grades - International Standards

### DIMENSIONES / Sizes

Dimensiones estándar sujetas a las normas internacionales de tolerancia.

Sizes according to international tolerance standards.

| Longitud<br>Length (mm) | Sección<br>Section (mm²) |
|-------------------------|--------------------------|
| 4000 - 7000             | 200 x 200                |

Las especificaciones de algunos de los productos indicados, varían dependiendo de los tipos de acero y acabados. Otras dimensiones o especificaciones, consulte con su comercial.

The specifications of certain products may vary according to grade and finish.

Other sizes or specifications, ask your nearest commercial agent.

### CONDICIONES DE SUMINISTRO / Terms of delivery

No aplica / Not applicable

Datos sujetos a posibles cambios conforme a la normativa internacional y las prácticas de trabajo. Otros tipos de acero, previa consulta. This data is subject to changes according to international standards and working practices. Other stainless steel grades on request.
