## Right to attend

---

In accordance with Article 14 of the Company's Articles of Association and Article 6 of the Regulations of the General Shareholders' Meeting, shareholders who are the owners of three hundred (300) or more shares have the right to attend the General Shareholders' Meeting, as long as their names are listed in the corresponding account register at least five (5) days prior to the date set down for the General Shareholders' Meeting, that is to say, April 30, 2026. Shareholders who possess less than this number of shares may group together to reach this threshold, naming a representative from among themselves. Each share shall have the right to one vote.

### Registration for in-person attendance by shareholders and proxies at the site of the General Shareholders' Meeting:

At the place and on the date indicated in the call notice of the General Shareholders' Meeting and beginning two (2) hours prior to the announced meeting start time, shareholders and proxies may present to the staff in charge of shareholder registration their attendance card or certificate issued by the entities holding the shares participants in the Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. (IBERCLEAR) or their card issued by the Company, accompanied by the nominative certificate that substantiates the ownership of the shares, issued for said purposes by the entity holding the shares. For these purposes, attendees may be asked, together with the presentation of the attendance card or certificate issued by the entities holding the shares or, in the case of proxies, a photocopy of the document granting them representation, to prove their identity by presenting their Spanish national ID (DNI), Spanish foreigner's ID (NIE), passport, or equivalent identification document.

In addition, if the shareholder is a legal entity, the natural person representing the entity must also provide proof of sufficient power of attorney for their representative powers.

## Right of representation

---

Any shareholder entitled to attend the General Shareholders' Meeting may be represented by another person, even if that person is not a shareholder, under the terms set forth by law, in Article 14 of the Company's Articles of Association, and in Article 7 of the Regulations of the General Shareholders' Meeting.

The shareholder may appoint a representative and notify the Company of said appointment in writing or electronically.

The documents authorizing the representation must include the identification of the person attending the General Shareholders' Meeting, in person or remotely in place of the shareholder, who must be properly identified according to the instructions. If the representations: (i) name the Board of Directors, or (ii) are unspecified in this regard on the card, it is understood that the representation is assigned, successively, to the Chairman of the Board of Directors, the Chief Executive Officer, or the Board Secretary, and in the foregoing order in the event that any of them were subject to a conflict of interest.

The following persons may be in a situation of conflict of interest:

- I. the Executive Directors in relation to Items 10.1 and 10.2 of the agenda;
- II. all members of the Board of Directors in relation to agenda Item 11; and

The documents containing the proxies for the General Shareholders' Meeting will reflect voting instructions, with the understanding that if nothing is mentioned in this respect, the represented shareholder gives precise instructions to vote in accordance with the proposed resolutions formulated by the Board of Directors on the items included on the agenda.

Unless otherwise indicated by the shareholder, the proxy will extend to matters that, although not appearing on the agenda and therefore unknown on the date of proxy appointment, may be submitted to a vote at the General Shareholders' Meeting. In this case, the proxy will cast the vote in the way they consider most favorable to the interests of the Company and of the shareholder they represent. In the event that the proxy is a Director and is subject to a conflict of interest, the representation shall be deemed to be conferred upon the individuals as set out hereinabove and following the aforementioned order of precedence.

The shareholder may obtain the proxy card or voting card from the Company by downloading and printing it from the website ([www.acerinox.com](http://www.acerinox.com)) or requesting free delivery from the Shareholder Office (91 398 52 64), from Monday to Friday (business days) from 9:00 a.m. to 2:00 p.m. and from 4:00 p.m. to 6:00 p.m..

## 2. Prior vote or proxy representation via electronic channels:

Shareholders wishing to exercise their proxy or voting rights electronically prior to the General Shareholders' Meeting should access the Company's website ([www.acerinox.com](http://www.acerinox.com)) through: "Shareholders & Investors" > "Corporate Governance" > "General Shareholders' Meeting" > "Proxy appointment, remote voting, prior registration for remote attendance and the right to request information", follow the instructions, and complete the necessary information for each of the actions.

### 2.1. Electronic voting prior to the meeting:

Shareholders wishing to vote previously by electronic means must access the Company website ([www.acerinox.com](http://www.acerinox.com)) within the period and in the manner provided for in section 2.3 below and follow the instructions for exercising their voting rights by electronic means, which will be specified in the platform.

### 2.2. Granting of representation by electronic means:

### 2.3. Identification and accreditation of the shareholder who wishes to use electronic means of voting or proxy appointment prior to the General Shareholders' Meeting:

Shareholders who wish to issue a proxy or cast their vote electronically at the meeting must prove their identity prior to 11:59 p.m. on May 4, 2026, using the platform provided for this purpose on the Company website ([www.acerinox.com](http://www.acerinox.com)) via:

- I. Electronic Spanish national ID (DNI);
- II. A recognized electronic user certificate that is valid and in force and has not been revoked, in accordance with the applicable legislation, and issued by the Spanish Public Certification Authority (CERES), which is part of the Fábrica Nacional de Moneda y Timbre; or
- III. User/password credentials that may be requested through the form available on the platform.

If a shareholder who is a legal entity wishes to cast their vote or proxy electronically by identifying themselves through user/password credentials, the natural person acting as their representative must accredit their status as such and request the corresponding credentials from the Company by sending an email to [accionistas@acerinox.com](mailto:accionistas@acerinox.com).

The Company reserves the right to request shareholders to provide additional means of identification that it considers necessary to prove that they are shareholders and to ensure the authenticity of their vote or proxy appointment.

### 2.4. Unavailability of the electronic systems/Connection failures

The Company reserves the right to modify, suspend, cancel, or restrict the electronic proxy appointment and voting mechanisms when technical or security concerns are raised. If any of these events occur, an announcement will be made on the Company's website ([www.acerinox.com](http://www.acerinox.com)). This will not affect any votes or proxy appointments already made, or the shareholders' rights to attendance and representation.

The Company will not be liable for any damages incurred by shareholders due to outages, overloads, line failures, connection failures, or any other problem of a similar nature beyond the Company's control, that prevents the use of voting mechanisms or electronic proxy appointment. These circumstances will therefore not constitute an illegitimate denial of shareholder rights.

## 3. Common rules for the exercise of remote voting or proxy rights prior to the General Shareholders' Meeting:

### 3.1. Period for the reception of the prior vote or proxy representation

To be approved, proxies conferred and votes cast prior to the General Shareholders' Meeting by remote communications (by post or through digital media) must be received by the Company at its head offices or on the Company website by 11:59 p.m. on May 4, 2026.

After the aforementioned deadline, the only proxy appointments admitted will be those issued using the cards of the share depository entities or cards drawn up by Acerinox duly filled out and presented by the representative to the persons responsible for the shareholder register within the two (2) hours prior to the arranged meeting start time at the place and on the day of the General Shareholders' Meeting.

This proxy appointment or vote will only be considered valid if the condition of the delegating shareholder is confirmed, confirming that the ownership and the number of shares provided by each of the persons who issue their representation or vote by remote communication coincide with the information provided by IBERCLEAR.

### 3.2. Acceptance of the proxy representation by the proxy

Proxy appointment carried out by remote means must be accepted by the representative, and otherwise may not be used. For these purposes, it will be understood that the proxy holder accepts the delegation:

- I. by attending the General Shareholders' Meeting remotely, in accordance with the terms set forth in the "Remote attendance at the General Shareholders' Meeting" section of this call notice and in the "Instructions for proxy appointment and remote advance voting, and remote meeting attendance" published on the company website; or
- II. by physically attending the General Shareholders' Meeting at the appointed place and time.

A proxy granted or deemed to be granted to a member of the Board of Directors will be deemed to be accepted by the proxy holder as soon as the Company receives the delegation.

The proxy to whom the vote is delegated by electronic means may only exercise it by attending the General Shareholders' Meeting, either remotely or in person.

### 3.3. Priority rules between proxy appointment and votes through remote communications prior to the General Shareholders' Meeting and attendance (in person or remote) at the General Shareholders' Meeting

The remote or in-person presence of a shareholder at the General Shareholders' Meeting who had previously issued a proxy or voted through remote communications, using whatever channel, will render this proxy or vote null.

The shareholder's physical attendance at the meeting will prevail over remote attendance.

If the shareholder has made more than one proxy appointment or vote (electronic or by post), the prevailing action (proxy appointment or vote) will be the most recent one. If there is uncertainty about the time when a shareholder appointed a proxy or voted, the vote (regardless of the means used for its communication) will prevail over the proxy appointment. If the shareholder has cast different and opposing votes, either digitally or by mail, the vote cast last, or, if the date of casting is uncertain, the last vote received by the Company, will prevail.

The Company reserves the right to request shareholders or their proxy representatives to provide additional means of identification that it considers necessary to prove that they are shareholders and to ensure the authenticity of their vote or proxy appointment.

Given that the General Shareholders' Meeting is expected to be held at second call, shareholders are advised to access the Remote Attendance Registration platform on May 6, 2026. Only attendees who have logged in between 10:00 a.m. and 11:45 a.m. on the day of the General Shareholders' Meeting may speak and/or vote at the General Shareholders' Meeting.

Once the shareholder or their proxy have connected to the Remote Attendance Registration platform as set out hereinabove, they may attend and vote at the General Shareholders' Meeting via remote communication in real time.

## 3. Participation:

Shareholders or their proxy representatives who, in the exercise of their rights, wish to intervene remotely at the General Shareholders' Meeting and, if appropriate, request information or clarifications in relation to agenda items, request clarifications regarding the information accessible to the public that the Company has provided to the Spanish National Securities Market Commission since the last General Shareholders' Meeting, or regarding the Auditor's Report, or make the proposals permitted by law, must formulate their intervention, question, or proposal in writing and send it through the link provided for this purpose on the Remote Attendance Registration platform between the time they connect on the day of the General Shareholders' Meeting (that is, from 10:00 a.m.) until 11:45 a.m. on the day of the General Shareholders' Meeting.

Those attending remotely who wish their participation to be recorded verbatim in the Minutes of the General Shareholders' Meeting must clearly and expressly indicate so.

Requests for information or clarification made remotely by attendees will be answered verbally during the General Shareholders' Meeting or in writing during the seven (7) days following the General Shareholders' Meeting, in accordance with the provisions of the Spanish Corporate Enterprises Act.

#### 4. Votes:

Remote voting on proposals relating to items on the agenda may take place as soon as they have connected to the Remote Attendance Registration platform.

With regard to proposed resolutions on matters not included on the agenda that have been submitted under legally admissible circumstances, those attending remotely may cast their votes from the moment that the secretary of the General Shareholders' Meeting reads out said proposals and the corresponding voting form is enabled on the online platform in order to proceed to vote on them.

The remote voting process will end when, following the reading of the summaries of the proposed resolutions by the secretary of the General Shareholders' Meeting, the Chairman declares the conclusion of the voting period for the proposed resolutions.

#### 5. Leaving the meeting:

Those attending remotely who wish to inform the Notary Public of their express decision to leave the General Shareholders' Meeting must do so via the corresponding section of the Remote Attendance Registration platform. Once the Notary Public has been informed of their express wish to leave the meeting, any subsequent actions they take will be deemed not to have been carried out.

#### 6. Other matters:

Legal entities and nonresidents in Spain may consult the Shareholder Office by telephone (91 398 52 64) from Monday to Friday (business days) from 9:00 a.m. to 2:00 p.m. and from 4:00 p.m. to 6:00 p.m., or by email ([accionistas@acerinox.com](mailto:accionistas@acerinox.com)) in order to adapt, with due guarantees, the mechanisms for attending the General Shareholders' Meeting by means of remote communication in real time.

In cases where there are several co-owners of a securities depository, the person who registers first as a remote attendee will be considered the attendee and, therefore, any subsequent access by other co-owners will be denied. In relation to this and for the purposes of Article 126 of the Spanish Corporate Enterprises Act, it is presumed that the co-owner who registers first (in person or remotely) is appointed by the rest of the co-owners to exercise the shareholder rights.

The Company will not be liable for any damages that may be caused to shareholders or proxy holders as a result of the occasional unavailability of its website, or outages, overloads, line failures, connection failures, or any other eventuality of the same or a similar nature, beyond the Company's control, without prejudice to the adoption of the measures required by each situation, including the possible temporary suspension or extension of the General Shareholders' Meeting if necessary to ensure the full exercise of shareholder or proxy rights.
