Shareholders may also request in person or in writing, in the same period, any explanation they feel is necessary from the directors about the public information the Company has provided for the Spanish National Securities Market Commission (CNMV) since the last Annual Shareholders' Meeting, and about the Auditor's Report. Valid requests made in writing for information or clarifications, and questions made in writing, as well as written replies provided by the directors, will be posted on the Company website.

Such requests for information, clarifications, or questions may be made by sending the corresponding communication to the registered office (Calle Santiago de Compostela no. 100, postal code 28035, Madrid), addressed to the Shareholder Office, accrediting identity by means of a copy of their identity card, Spanish Foreigner's ID (NIE), or passport (and, in the case of a legal entity, a document of sufficient proof of representation), as well as of their status as shareholder, indicating the number of shares and the depositary institution. This can also be done through the platform set up for this purpose on the Company website (www.acerinox.com), accrediting their identity via:

- I. Electronic Spanish national ID (DNI);
- II. A recognized electronic user certificate that is valid and in force and has not been revoked, in accordance with the applicable legislation, and issued by the Spanish Public Certification Authority (CERES), which is part of the Fábrica Nacional de Moneda y Timbre; or
- III. User/password credentials that may be requested through the form available on the platform.

This is without prejudice to the shareholders' right to information on these matters during the Annual Shareholders' Meeting, either verbally in the case of those who attend the meeting in person, or in writing in the case of those attending remotely, in accordance with the terms set forth in this notice of meeting.

Right to attend

Shareholders who are the owners of three hundred or more shares have the right to attend the Annual Shareholders' Meeting in accordance with article 14 of the bylaws and 6 of the Annual Meeting regulations, as long as their names are listed in the corresponding account register at least five days prior to the date set for the Annual Shareholders' Meeting, verified by the appropriate attendance card or certificate issued by the depositary

institution or any other of the ways permitted under current legislation. Shareholders who possess less than this number of shares may group together to reach this threshold, naming a representative from among themselves. Each share bestows the right to one vote. Attendance cards will be issued by the entities where the shares are deposited, participating in the Sociedad de Gestión de los Sistemas de Registro, Compensación y Liquidación de Valores, S.A.U. (IBERCLEAR).

Registration for in-person attendance by shareholders and proxies at the site of the Annual Shareholders' Meeting:

At the place and on the date indicated in the notice of the Annual Shareholders' Meeting and beginning two hours prior to the announced meeting start time, shareholders and proxies may present the documents accrediting their right to attend to the staff in charge of shareholder registration and, if applicable, their right to be represented by proxy. For these purposes, attendees may be asked, together with the presentation of the attendance card or certificate issued by the entities holding the shares or, in the case of proxies, a copy of the document granting them representation, to prove their identity by presenting their Spanish national ID (DNI), Spanish foreigner's ID (NIE), passport, or equivalent.

In addition, if the shareholder is a legal entity, the natural person representing the entity must also provide proof of sufficient power of attorney for their representative powers.

Right of representation

Any shareholder entitled to attend the Annual Shareholders' Meeting may be represented by another person, even if that person is not a shareholder, under the terms set forth by law, in article 14 of the Company's bylaws, and in article 7 of the Company's regulations for the Annual Shareholders' Meeting.

The shareholder may appoint a representative and notify the Company of said appointment in writing or electronically.

The documents authorizing the representation must include the identification of the person attending the Annual Shareholders' Meeting, in person or remotely in place of the shareholder, who must be properly identified according to the instructions. If the representations name the board of directors or are unspecified in this regard, it is understood that the representation is assigned to the chairman of the board, the chief executive officer, or the board secretary, interchangeably. Should the designated representative find that they have a conflict of interest when voting on the proposals submitted to the meeting, on or off the agenda, and for which the represented shareholder did not leave clear instructions, this representation will be understood to be transferred to either of the other two persons mentioned who are not affected by this circumstance.

The following persons may be in a situation of conflict of interest:

- I. All members of the board of directors in connection with agenda items 4, 8, 9.2, and 10;
- II. The chief executive officer with respect to agenda item 12;

- III. The board secretary with respect to agenda item 12; and
- IV. The relevant director in the event that one or more of the proposals referred to in sections b) (removal, resignation, or dismissal) or c) (exercise of derivative action) of article 526.1 of the Spanish Capital Companies Act that may be presented off-agenda in accordance with said act, are submitted to the meeting.

The documents containing the proxies for the Annual Shareholders' Meeting will reflect voting instructions, with the understanding that if nothing is mentioned in this respect, the represented shareholder gives precise instructions to vote in accordance with the proposed resolutions formulated by the board of directors on the items included on the agenda.

Unless otherwise indicated by the shareholder, the proxy will extend to matters that, although not appearing on the agenda and therefore unknown on the date of proxy appointment, may be submitted to a vote at the Annual Shareholders' Meeting. In this case, the proxy will cast the vote in the way they consider most favorable to the interests of the Company and of the shareholder they represent.

The Company reserves the right to modify, suspend, cancel, or restrict the electronic proxy appointment and voting mechanisms when technical or security concerns are raised. If any of these events occur, an announcement will be made on the Company's website (www.acerinox.com). This will not affect any votes or proxy appointments already made, or the shareholders' rights to attendance and representation.

The Company will not be liable for any damages incurred by shareholders due to outages, overloads, line failures, connection failures, or any other problem of a similar nature beyond the Company's control, that prevents the use of voting mechanisms or electronic proxy appointment. These circumstances will therefore not constitute an illegitimate denial of shareholder rights.

3. Common rules for the exercise of remote voting or proxy rights prior to the Annual Shareholders' Meeting:

To be approved, proxies conferred and votes cast prior to the meeting by remote communications (by post or through digital media) must be received by the Company at its head offices or on the Company website by 11:59 p.m. on April 17, 2024.

After the aforementioned deadline, the only proxy appointments admitted will be those issued using the cards of the share depository entities or cards drawn up by Acerinox duly filled out and presented by the representative to the persons responsible for the shareholder register within the two hours prior to the arranged meeting start time at the place and on the day of the Annual Shareholders' Meeting.

This proxy appointment or vote will only be considered valid if the condition of the delegating shareholder is confirmed, confirming that the ownership and the number of shares provided by each of the persons who issue their representation or vote by remote communication coincide with the information provided by IBERCLEAR.

3.1. Priority rules between proxy appointment and votes through remote communications prior to the Annual Shareholders' Meeting and attendance (in person or remote) at the Annual Shareholders' Meeting

The remote or in-person presence of a shareholder at the Annual Shareholders' Meeting who had previously issued a proxy or voted through remote communications, using whatever channel, will render this proxy or vote null.

The shareholder's physical attendance at the meeting will prevail over remote attendance.

If the shareholder has made more than one proxy appointment or vote (electronic or by post), the prevailing action (proxy appointment or vote) will be the most recent one. If there is uncertainty about the time when a shareholder appointed a proxy or voted, the vote (regardless of the means used for its communication) will prevail over the proxy appointment. If the shareholder has cast different and opposing votes, either digitally or by mail, the vote cast last—or, if the date of casting is uncertain, the last vote received by the Company—will prevail.

Shareholders casting a distance vote are to be considered as present for the purpose of constituting the meeting.

Remote attendance at the Annual Shareholders' Meeting

Pursuant to article 17 bis of the bylaws and article 12 of the Annual Meeting regulations, the board of directors has enabled shareholders with the right to attend, and their proxies, to attend the Annual Shareholders' Meeting remotely under the terms set out in this section and in the "Instructions for remote advance voting, proxy appointment, and remote meeting attendance," published on the Company website.

In order to allow for the proper management of the remote attendance systems, shareholders wishing to attend the meeting remotely and vote by remote communication must first register on the remote attendance registration platform set up for this purpose on the website (www.acerinox.com), accrediting their identity between the time of publication of this notice and 11:59 p.m. on April 17, 2024, by any of the following means:

- I. Electronic Spanish national ID (DNI);

- III. User/password credentials that may be requested through the form available on the platform.

If a shareholder who is a legal entity wishes to pre-register in order to attend the Annual Shareholders' Meeting remotely by electronic means, identifying themselves by means of user/password credentials, the natural person acting as their representative must accredit their status as such and request the corresponding credentials from the Company by sending an email to accionistas@acerinox.com.

No registration will be accepted after this deadline.

Furthermore, in the event that the person attending remotely is a representative of a shareholder, in order to carry out the aforementioned prior registration, the shareholder who has granted the proxy must have informed the representative of said proxy and sent a copy of the proxy appointment to the Acerinox, S.A. Shareholder Office (Calle Santiago de Compostela no. 100, 28035, Madrid) or to the email address accionistas@acerinox.com together with a copy of the representative's Spanish national ID (DNI), Spanish foreigner's ID (NIE), passport, or equivalent, before 11:59 p.m. on April 17, 2024, in order to be able to accredit the proxy appointment.

- I. Electronic Spanish national ID (DNI);
- II. A recognized electronic user certificate that is valid and in force and has not been revoked, in accordance with the applicable legislation, and issued by the Spanish Public Certification Authority (CERES), which is part of the Fábrica Nacional de Moneda y Timbre; or
- III. User/password credentials that must have been requested beforehand during the pre-registration process through the form available on the platform.

The Company reserves the right to request shareholders or their proxy representatives to provide additional means of identification that it considers necessary to prove that they are shareholders and to ensure the authenticity of their vote or proxy appointment.

Given that the meeting is expected to be held at second call, shareholders are advised to access the online platform set up for this purpose on the website (www.acerinox.com) on April 22, 2024. Those attending remotely who wish their participation to be recorded verbatim in the minutes of the Annual Shareholders' Meeting must clearly and expressly indicate so.

Without prejudice to reporting to the Annual Shareholders' Meeting on the interventions received, requests for information or clarification made remotely by attendees will be answered verbally during the Annual Shareholders' Meeting or in writing during the seven days following the Annual Shareholders' Meeting, in accordance with the provisions of the Spanish Capital Companies Act.

4. Votes:

Remote voting on proposals relating to items on the agenda may take place as soon as the chairman declares the Annual Shareholders' Meeting quorate.
