Madrid, 12 April 2023

REPORT OF THE BOARD OF DIRECTORS OF ACERINOX, S.A. ON THE MODIFICATIONS TO THE BOARD OF DIRECTORS REGULATIONS MADE KNOWN UNDER ITEM EIGHTEEN OF THE AGENDA OF THE GENERAL SHAREHOLDERS' MEETING CONVENED TO BE HELD ON 22 MAY 2023 AT FIRST NOTICE AND ON 23 MAY 2023 AT SECOND NOTICE.

I. Wording of Item Eighteen on the Agenda

"Reporting to the General Shareholders' Meeting in accordance with Article 528 of the Spanish Capital Companies Act on the modification of the Board of Directors Regulations."

II. Introduction

In compliance with Article 528 of the Capital Companies Act, the purpose of this Report to the General Shareholders' Meeting is prepared by the Board of Directors of Acerinox, S.A. ("**Acerinox**" or the "**Company**") in order to explain to the shareholders the changes made to the Board of Directors Regulations.

In this respect, the Board of Directors Regulations were amended at the meeting of the Board of Directors held on 27 February 2023, which is also reported under Item Eighteen on the Agenda of the Ordinary General Shareholders' Meeting.

III. Rationale for the proposed amendment of the Regulations

After the General Shareholders' Meeting held on 16 June 2022, the Board of Directors appointed the Proprietary Director representing Corporación Financiera Alba, S.A. as Chairman of Acerinox, Mr. Carlos Ortega Arias-Paz, for which reason the Board of Directors considered it appropriate to appoint a Coordinating Director, proceeding at the Board meeting held on 30 June 2022 to appoint the Independent Director Mr. George Donald Johnston as Coordinating Director.

In order to incorporate the regulation of the position of Coordinating Independent Director in the Board of Directors Regulations, the Board of Directors resolved on 27 February 2023 to amend Article 7, section 4, of the Board of Directors Regulations and to create a new Article 11-bis.

The full text of these two articles of the Board of Directors Regulations in the wording approved at the Board meeting held on 27 February 2023 and reported to the General Shareholders' Meeting is as follows (the newly created text included in point 7.4 is underlined):

“Article 7. The Chairman.

1. Following a report from the Appointments, Remunerations, and Corporate Governance Committee, the Board of Directors shall appoint a Chairman from one of its members and, as the case may be, one or more Vice-Chairmen. Should the Chairman be re-elected as a Director, his re-election as Chairman shall not be necessary.
2. The Chairman is the maximum authority responsible for the efficient functioning of the Board of Directors. As well as the remaining duties or functions granted by Law, the Articles of Association, or the present Regulations, the Chairman shall have the following duties or functions:
 - a) Bear the institutional representation of the Company.
 - b) Convene and preside meetings of the Board of Directors, establishing the agenda for said meetings and leading the discussions and deliberations, ensuring that enough time is dedicated to the discussion of strategic matters.
 - c) Preside the General Shareholders' Meeting.
 - d) Ensure that all Directors receive sufficient prior information so as to be able to deliberate on the items on the agenda.
 - e) Stimulate the debate and an active participation of Directors during the sessions, safeguarding their liberty to adopt any position.
 - f) Propose the appointment of the Managing Director and the Secretary to the Board of Directors.
 - g) Prepare and submit to the Board of Directors an agenda of dates and matters that need to be dealt with.
 - h) Organise and coordinate the periodic evaluation of the Board as well as, as the case may be, of the primary executive of the Company.
 - i) Agree on and review the refresher programmes for each Director, when the circumstances so advise.
3. In the event of a split vote, the Chairman does not have a deciding vote.
4. In the event of absence or incapability, the eldest Vice-Chairman shall take the place of the Chairman if they were to be Independent. Otherwise, *the Coordinating Director, or if there is none*, the Independent Vice-Chairman with the most seniority shall take the Chairman's place. In the event that there are several of equal tenure, the eldest Vice-Chairman shall be followed by the next most senior should the latter decline.

“[New] Article 11-bis. Coordinating Independent Director.

- 1. The Board of Directors may appoint a Coordinating Director of the Independent Directors. This appointment shall be required when the Chairman of the Board exercises executive functions.*
- 2. The appointment must be made by an independent director, and executive directors shall abstain from election when the Chairman of the Board exercises executive functions.*
- 3. The duties of the Coordinating Director of the Independent Directors shall be as follows:*

1. The convening of meetings will include the agenda set by the Chairman. The Board of Directors must meet at least once per quarter and will be convened by its Chairman or acting Chair. Directors representing at least one third of the Board may convene a meeting indicating the agenda in the call notice, to be held at a location within the vicinity of its corporate offices, should the Chairman, having been requested to convene a meeting, have not done so within the term of one month after being so requested.
2. Meetings will normally be held at the Company's offices, although they may also be held at another location determined by the Chairman.
3. Notwithstanding the aforementioned, and except where the Law so forbids, resolutions may be adopted for emergency purposes or special convenience without a meeting and in writing, adhering to the requisites and formalities established by the applicable regulations.
4. However, the Board may meet without the need to observe the aforementioned notice requirements if all Directors attend the meeting, or those not attending give their consent in writing.
5. Unless the Board had been formed or exceptionally convened for emergency purposes, Directors must have the necessary information sufficiently in advance in order to discuss and adopt the resolutions on the matters at hand.
6. The Board will be deemed validly convened when at least half plus one of the present or represented members in office attend the meeting. Directors may appoint other Directors to represent them. Non-executive Directors may only do this for another non-executive Director.
7. Attendance of Directors at Board Meetings will be equally valid by means of long-distance communications methods, provided said methods allow all attending Directors to be reciprocally recognised and identified, be in permanent communication, and be able to intervene and cast their vote in real time. Sessions of the Board of Directors which Directors attend by means of long-distance communications methods shall be considered unique and shall be celebrated in the location where the Chairman of the

body, or whoever is replacing him, is. The aforementioned remote attendance by specific Directors must be referred to in the minutes of the meeting and agreement certifications.

B) Votes:

The agreements made by the Board of Directors must be adopted by the absolute majority of the Directors present or represented at the session. However, the permanent delegation of any powers by the Board of Directors to the Executive Committee or the CEO, the appointment of Directors to occupy these positions, the signing of its contracts and the amendment of these Regulations shall require a favourable vote by two-thirds of the members of the Board in order to be valid.

C) Deliberations:

The Chairman of the Board of Directors shall oversee the deliberations, award the floor to requesting Directors, and submit the matter to vote once he/she considers the matters to have been sufficiently debated.

D) Documentation and language:

1. Only the Spanish versions of the meeting calls, agendas, minutes, and certifications shall be officially valid. Versions of the aforementioned documents in English provided by the Company upon the specific request by a Director are not officially valid.
2. The deliberations and resolutions of the Board shall be recorded in a minutes book and each minute will be signed by the Chairman and Secretary, or those acting as such.

E) Information:

Directors shall receive the information relevant for the exercise of their duties with sufficient time prior to sessions and in a format suitable for the deliberation of the points on the agenda.

F) Remunerations:

1. The office of Director shall be remunerated.
2. Directors shall earn a fixed annual fee apportionable by days in the event that their functions are not performed throughout the year. The fixed remuneration shall be payable monthly in arrears.
3. This will be complemented by the payment of allowances, which will only be perceived by those attending each session in person or by teleconference.
4. Directors who serve on Board Committees shall also be entitled to the attendance fee indicated, which shall be the same amounts that apply for being a member of the Board, and in the same cases as in the latter.

5. The attendance fees of the Chairman of the Board and of the Chairmen of the Committees, when one or the other acts in that position, shall be double those of the other members of the body.
6. The Board of Directors, following a report from the Appointments, Remuneration and Corporate Governance Committee, is responsible for setting the individual remuneration of each Director in their position as such within the framework of the Articles of Association and the remuneration policy, respecting the maximum annual amount and other criteria set out in the Directors' remuneration policy, which shall be approved by the General Shareholders' Meeting as a separate item on the agenda, to be applied for a maximum period of three financial years. However, the proposal for a new Directors' remuneration policy must be submitted to the General Shareholders' Meeting prior to the end of the last financial year of application of the previous policy, and the General Shareholders' Meeting may determine that the new policy shall apply from the date of approval and for the following three financial years. Any amendment or replacement of the policy during said period will require the prior approval of the General Shareholders' Meeting, in accordance with the provisions of the current legislation.

The yearly remuneration of the Directors shall vary, depending on the functions and responsibilities assigned to each of them, on whether they are members of a Board Committee, and on other objective circumstances that are deemed relevant.

7. When a member of the Board of Directors is appointed as the Chief Executive Officer or conferred executive functions for some other reason, a contract must be drawn up between this individual and the Company, which must be previously approved by the Board of Directors, with the vote in favour of two-thirds of its members. The Director in question must abstain from attending the discussion and participating in the vote. The approved contract must then be attached to the meeting minutes. For Executive Directors, the right to remuneration derived from their condition as Member of the Board shall be compatible with their right to remuneration for their Senior Management position. The Board of Directors is responsible for the individual determination of the remuneration of each Director for the performance of the executive duties attributed to them within the framework of the remuneration policy and in accordance with the provisions of their contract, subject to a report from the Appointments, Remuneration and Corporate Governance Committee.
8. The contract will list all items for which the Executive Director may receive remuneration for the performance of executive duties, consisting of fixed remuneration, a variable bonus subject to fulfilment of objectives, a long-term incentive consisting of company shares based on metrics aligning

their interests with those of the Company, the attendance allowances received for their position as a member of the Acerinox Board and the Boards of its subsidiaries and, where applicable, the same income in kind as the other members of Senior Management. The Company shall also make a yearly contribution to its savings and social insurance provision subject to the conditions set out in the regulations governing Senior Management remuneration, in accordance with the remuneration policy approved by the General Shareholders' Meeting and the limits set therein. The Director is not entitled to any payment for performing executive functions whose amounts or concepts are not laid out in this contract. The contract must be in accordance with the remuneration policy approved by the General Shareholders' Meeting, which shall establish at least the amount of the fixed annual remuneration corresponding to the Director for the performance of their executive duties and other provisions of law.

The Chief Executive Officer's contract shall include any severance pay to which they are entitled as a result of dismissal by the Company, which must not exceed the figure established in the Remuneration Policy.

9. The remuneration of the Secretary shall be determined by the Board of Directors, and attendance allowances can be part of said remunerations for an identical or analogous amount as that of Directors.

G) Duty to abstain:

1. Directors must abstain from voting or participating in deliberations involving issues in which they hold a personal interest, or which affect a family member or a company in which they hold an executive position or in which they are significant shareholders.
2. Directors affected by appointment, re-election or dismissal proposals must abstain from participating in the deliberations and votes regarding their position, leaving the meeting while such procedures take place.

H) Attendance of other people:

1. People whose presence at Board Meetings and meetings of the Executive Committee is considered to be convenient by the Chairman, may attend said meetings.
2. The CEO may be accompanied to meetings of the aforementioned bodies by members of company management they deem to be necessary.

I) Annual performance evaluation:

1. The Board of Directors must carry out an annual evaluation of its functioning and that of its Members and, based on the results of said evaluation, must propose a plan of action to correct any detected deficiencies.

2. The results of the evaluation shall be consigned in the meeting minutes or shall be incorporated to said minutes as an annex.

J) Counselling:

Directors may request external advisement through the Chairman of the Board when they consider it necessary for the proper execution of their duties.

The minutes recording the contents of the meeting are to be prepared by the Secretary and then submitted to the Chairman for approval. The minutes are to be recorded in the book of minutes and a copy sent to each member of the applicable Committee.

D) Other Provisions:

1. The renewal, re-election and dismissal of members of Board Committees are governed by the regulations established by the Board of Directors.

2. Any person deemed necessary by the Chairman of the Committee may attend its meetings even though they may not hold the position of Directors.

If these people were to be managers or employees of the company, or companies of the Group, the attendance request shall be processed through the CEO.

3. For cases not provided for in the present, the provisions regarding the functioning of the Board of Directors shall be applicable to the Committees in whatever manner allowable.

Chapter III. Board relations with other bodies and entities

2. The Board of Directors shall encourage the informed participation of shareholders at General Shareholders Assemblies.
3. The Board of Directors will adopt as many measures as necessary in order to facilitate the General Shareholders Assembly to effectively perform any duties it is responsible for, in accordance with the Law and the Articles of Association.

Those who will have reached 72 years of age at the time of appointment, re-election or ratification may not be appointed or re-elected as Directors.
2. The total number of Boards of Directors and other corporate administrative bodies to which the Directors of Acerinox SA can belong is limited to six, in general. Once the Board of Directors has heard from the Appointments, Remuneration and Corporate Governance Committee, in the light of the circumstances of each case, it may allow this figure to be raised or lowered.
3. Administrative bodies of entities which constitute a form of organisation of personal or family heritage shall not be taken into account for this purpose.
4. All the administrative bodies in which a Director has the status of Proprietary Director due to appointment by a third company, in which they were a director or held executive functions, together with the board they may be on in the latter, shall be counted as one single Board, even if these companies do not constitute a single trading group.

Article 17. Appointment of Directors.

1. Members of the Board of Directors shall be appointed by the General Shareholders Assembly or, in the case of an early vacancy, by the Board itself through co-optation.
2. Co-optation shall be governed by what is established in the Law, and specifically:
 - a) The Director designated by the Board does not have to be a Company shareholder.
 - b) If a vacancy should be produced once the General Shareholders' Meeting has been convened, the Board of Directors may designate a Director up until the time when the following General Shareholders' Meeting is celebrated.
3. The appointment or re-election of members of the Board of Directors shall be done in accordance to what is established in these Regulations, regulating the

competencies of the Appointments, Remuneration and Corporate Governance Committee.

Article 18. Duration of the position.

1. Directors shall carry out their duties for a period of four years. Directors may be re-elected to the position once or several times.
2. Directors who are appointed by co-optation are to perform their duties until the date when the next General Shareholders Assembly is held.
3. The Board of Directors cannot propose the dismissal of External Directors until the end of the statutory period for which they were appointed, except in the event of a prior report from the Appointments, Remuneration and Corporate Governance Committee stating that there is justifiable cause for dismissal.
4. Independent Directors cannot hold a position as such for a continuous period of over twelve years.

Article 19. Dismissal of Directors.

1. Directors shall terminate their duties at the end of the period for which they were appointed, and whenever so decided by the General Shareholders' Meeting.
2. Directors must submit their resignation to the Board of Directors and, if necessary, formalise the dismissal, in the event of fulfilling any of the established conditions of incompatibility or legal prohibition that prevent them from performing their duties with due diligence.
3. Proprietary Directors must tender their resignations when the shareholder they represent sells his or her entire shareholding interest. When the participation of a shareholder is reduced to the point that it no longer allows said shareholder to designate, in accordance with the rules of proportional representation established in the applicable legislation, as many Directors that at that time should represent the shareholder, he/she shall consult the Board of Directors through its Chairman the eventual need for reducing its number of members until such time that they would correspondingly appoint new members in accordance with said rule.
4. No proposals can be made for the dismissal of Independent Directors prior to the expiry of the statutory period for which they were appointed, except in the

event of justifiable cause as judged by the Board at the proposal of the Appointments, Remuneration and Corporate Governance Committee, or when, as a consequence of a Public Takeover Bid, it becomes necessary to modify the structure of the Board in order to maintain the criteria of proportionality.

5. When a Director leaves office before the end of their term of office, either by resignation or by resolution of the General Shareholders' Meeting, they shall sufficiently explain the reasons for their resignation or, in the case of non-executive Directors, their views on the reasons for the dismissal by the General Meeting, in a letter to be sent to all members of the Board. In addition, and without prejudice to the disclosure in the Annual Corporate Governance Report, to the extent relevant for investors, the Company shall publish the dismissal as soon as possible, including sufficient reference to the reasons or circumstances provided by the Director.
6. Directors must report any situations affecting them, whether or not related to their actions in the Company itself, which may damage the credit and reputation of the Company and, in particular, they must inform the Board of Directors of any criminal proceedings in which they are under investigation, as well as the progress of the proceedings.
